

ATHI SHREE V

Active Directory & Microsoft Entra ID (Azure AD) Administrator | Identity & Access Management (IAM)

+91 63795 44624 | vathishree@gmail.com | linkedin.com/in/athishree-venkat-845660190

PROFESSIONAL SUMMARY

Active Directory and Microsoft Entra ID (Azure AD) Administrator with 3.8 years of experience in enterprise Identity and Access Management (IAM) for global banking and life-sciences clients. L2/L3 expertise in AD DS, Domain Controllers, AD replication, Group Policy (GPO), DNS, DHCP and LDAP, plus hybrid identity with Microsoft Entra Connect, SAML SSO, MFA, Conditional Access and RBAC. SC-300 certified; uses PowerShell and disciplined incident and change management to keep access secure.

SKILLS

Identity & Directory Services: Active Directory (AD DS), Microsoft Entra ID (Azure AD), Domain Controllers, AD Sites and Services, AD Replication, LDAP, Organizational Units (OUs), Security & Distribution Groups, Service Accounts, Delegation, ACLs, SPN / Kerberos

Access Management & Security: Identity and Access Management (IAM), Multi-Factor Authentication (MFA), Conditional Access, SAML, Single Sign-On (SSO), Role-Based Access Control (RBAC), Enterprise Applications, Group-Based Licensing, Sign-in & Audit Logs, Least Privilege

Hybrid Identity & Cloud: Microsoft Entra Connect (Azure AD Connect), Hybrid Identity, Microsoft 365, Exchange Online, Microsoft Azure

Windows Server Infrastructure: DNS (Zones, Records, Conditional Forwarders, Zone Transfers), DHCP (Scopes, Reservations, Failover), Group Policy (GPO), File Share & NTFS Permissions

Automation & IT Operations: PowerShell Scripting, Incident Management, Change Management, Patching, Disaster Recovery (DR), Root Cause Analysis, L2/L3 Troubleshooting

PROFESSIONAL EXPERIENCE

Associate | Cognizant Technology Solutions

Dec 2022 – Present

Client: Synchrony Bank | L3 Active Directory Administrator

Current Project

- Deliver L3 Active Directory administration and advanced troubleshooting, managing Domain Controller health, AD replication, authentication and core AD DS services across the enterprise.
- Administer Group Policy (GPO): troubleshoot, validate and optimize policy application and security settings across the domain.
- Maintain AD Sites and Services, subnets and replication topology to ensure reliable domain connectivity and authentication across locations.
- Troubleshoot LDAP authentication, AD security permissions (ACLs), delegation, service accounts and SPN / Kerberos-related access issues.
- Support Microsoft Entra ID (Azure AD) enterprise application access, Conditional Access policies and RBAC role assignments.
- Handle incident and change activities end to end for security-focused access requests, coordinating validation, implementation and closure.

Client: Gilead Sciences | L2 Active Directory Administrator

Previous Project

- Provisioned and managed AD user and service accounts, security and distribution groups, OUs and delegated access in line with security policies and least-privilege principles.
- Administered Domain Controllers, DNS integration and AD replication; investigated and resolved authentication and replication issues.
- Created, maintained and troubleshot Group Policy Objects (GPOs) to enforce security standards.
- Managed Microsoft Entra ID users and groups; implemented MFA, Conditional Access and group-based license provisioning.
- Configured SAML Single Sign-On (SSO) and Microsoft Entra Connect for hybrid identity; reviewed audit and sign-in logs to secure access.
- Administered DNS and DHCP (records, conditional forwarders, zone transfers, scopes, reservations, failover), file share and RBAC permissions, and Exchange Online mailboxes and mail flow.

CERTIFICATIONS

- Microsoft Certified: Identity and Access Administrator Associate (SC-300)
- Microsoft Certified: Azure Data Fundamentals (DP-900)

EDUCATION

B.E., Computer Science and Engineering | Sri Venkateswara College of Engineering | CGPA: 9.23 / 10

2018 – 2022

Higher Secondary (HSLC) | Holy Cross Anglo Indian Higher Secondary School | Score: 86%

2016 – 2018

ACHIEVEMENTS

- Recognized as a top ticket-closure contributor in the core IT support team and received the Women Rising Star special mention for ticket resolution and team collaboration.
- Collaborated with automation teams to streamline recurring service requests and improve operational efficiency.
- Trained and mentored new IT support hires on technical procedures and support workflows.
